

Auditor-General of South Africa

**ILembe District Municipality
Audit report 2016-17**

Report of the auditor-general to the KwaZulu-Natal Provincial Legislature and the council on ILembe District Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the ILembe District Municipality set out on pages ... to ..., which comprise the statement of financial position as at 30 June 2017, the statement of financial performance, statement of changes in net assets, cash flow statement and the statement of comparison of budget and actual amounts for the year then ended, as well as the notes to the separate financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of ILembe District Municipality as at 30 June 2017, and its financial performance and cash flows for the year then ended in accordance with South African Standards of Generally Recognised Accounting Practice (SA Standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2016 (Act No. 3 of 2016) (DoRA).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the auditor-general's responsibilities for the audit of the financial statements section of this report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *Code of ethics for professional accountants* (IESBA code) and the ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of this matter

Material losses – water

7. As disclosed in note 35.7 to the financial statements, material water losses of R39,6 million (2016: R28 million) were incurred, which represents 52,28% (2016: 44.53%) of total water purchased. The losses were due to illegal connections, main leaks, reserve overflows and service connection leaks.

Debt impairment

8. As disclosed in note 35.6.2 to the financial statements, material debt impairment of R26,4 million was incurred as a result of a write-off of the trade debtors identified as irrecoverable.

Unauthorised expenditure

9. As disclosed in note 34.1 to the financial statements, unauthorised expenditure of R40 million was incurred. The majority of the unauthorised expenditure was caused by the budget cut of the grant allocation.

Other matter

10. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Unaudited disclosure notes

11. In terms of section 125(2)(e) of the MFMA the municipality is required to disclose particulars of non-compliance with the MFMA in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion thereon.

Responsibilities of the accounting officer for the financial statements

12. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the SA Standards of GRAP and the requirements of the MFMA, DoRA and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
13. In preparing the financial statements, the accounting officer is responsible for assessing the ILembe District Municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the intention is to liquidate the municipality or cease operations, or there is no realistic alternative but to do so.

Auditor-general's responsibilities for the audit of the financial statements

14. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
15. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

Introduction and scope

16. In accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA) and the general notice issued in terms thereof, I have a responsibility to report material findings on the reported performance information against predetermined objectives for selected development priority presented in the annual performance report. I performed procedures to identify findings but not to gather evidence to express assurance.
17. My procedures address the reported performance information, which must be based on the approved performance planning documents of the municipality. I have not evaluated the completeness and appropriateness of the performance indicators included in the planning documents. My procedures also did not extend to any disclosures or assertions relating to planned performance strategies and information in respect of future periods that may be included as part of the reported performance information. Accordingly, my findings do not extend to these matters.
18. I evaluated the usefulness and reliability of the reported performance information in accordance with the criteria developed from the performance management and reporting framework, as defined in the general notice, for the basic service delivery development priority presented in the annual performance report of the municipality for the year ended 30 June 2017.
19. I performed procedures to determine whether the reported performance information was consistent with the approved performance planning documents. I performed further procedures to determine whether the indicators and related targets were measurable and relevant, and assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
20. I did not raise any material findings on the usefulness and reliability of the reported performance information for the basic service delivery development priority.

Other matter

21. I draw attention to the matter below.

Achievement of planned targets

22. The annual performance report on page x to x includes information on the achievement of planned targets for the year and explanations provided for the over-achievement of a significant number of targets.

Report on the audit of compliance with legislation

Introduction and scope

23. In accordance with the PAA and the general notice issued in terms thereof I have a responsibility to report material findings on the compliance of the ILembe District Municipality with specific matters in key legislation. I performed procedures to identify findings but not to gather evidence to express assurance.
24. The material findings on compliance with specific matters in key legislations are as follows:

Expenditure management

25. Money owed by the municipality was not always paid within 30 days, as required by section 65(2)(e) of the MFMA.

Other information

26. The accounting officer is responsible for the other information. The other information comprises the information included in the annual report which includes the mayor's foreword, the accounting officer's report and the audit committee's report. The other information does not include the financial statements, the auditor's report and the selected development priority presented in the annual performance report that has been specifically reported in the auditor's report.
27. My opinion on the financial statements and findings on the reported performance information and compliance with legislation do not cover the other information and I do not express an audit opinion or any form of assurance conclusion thereon.
28. In connection with my audit, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the selected development priority presented in the annual performance report, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
29. I have nothing to report in this regard.

Internal control deficiencies

30. I considered internal control relevant to my audit of the financial statements, reported performance information and compliance with applicable legislation; however, my objective was not to express any form of assurance thereon.
31. The matters reported below are limited to the significant control deficiencies that resulted in the finding on compliance with legislation included in this report.

Financial management

32. Although management has implemented a cash flow turnaround strategy, this was not adequate to ensure that all suppliers were paid within 30 days.

Other reports

33. I draw attention to the following engagements conducted by various parties that had, or could have, an impact on the matters reported in the municipality's financial statements, reported performance information, compliance with applicable legislation and other related matters. These reports did not form part of my opinion on the financial statements or my findings on the reported performance information or compliance with legislation.
34. An independent consultant is investigating allegations of possible misappropriation of the municipality's assets, financial misconduct and SCM irregularities, at the request of the municipality, which covered the 2016-17 period for four cases. One of the four cases investigated was concluded and resulted in criminal proceedings against an employee. The other three cases were still in progress at the date of this report.

AUDITOR-GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure – auditor-general's responsibility for the audit

1. As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements, and the procedures performed on reported performance information for selected objective and on the municipality's compliance with respect to the selected subject matters.

Financial statements

2. In addition to my responsibility for the audit of the financial statements as described in the auditor's report, I also:
 - Identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
 - obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality internal control
 - evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the accounting officer
 - conclude on the appropriateness of the accounting officer's use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on ILembe District municipality's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial statements. My conclusions are based on the information available to me at the date of the auditor's report. However, future events or conditions may cause a municipality to cease continuing as a going concern
 - evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

Communication with those charged with governance

3. I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
4. I also confirm to the accounting officer that I have complied with relevant ethical requirements regarding independence, and communicate all relationships and other

matters that may reasonably be thought to have a bearing on my independence and, where applicable, related safeguards.
